

*Bernd Rohrmann* (Roman Research Road venture, Melbourne, Australia)

The film about Hermann Hesse's parable "Die Stadt" {The City}, based on Walter Schmoegner's illustrated edition, was created by Sabine Hoepfner in Hamburg (Germany), in collaboration with Prof Franz Winzentsen (Stade/Germany) and Prof Bernd Rohrmann, who also contributed the audio-recording of the english text.

A brief section of this film, to be playable on this website, is currently in preparation.
